INT 458

\*25 Spring / Elective Course

Selin Erdemirci

Thursday 10.00-12.50

"Art, Installation and Interiors" is an interactive course exploring the relationship between art, interior spaces, and audience experience. Students will visit exhibitions and galleries, engage in discussions on contemporary practices, and attend guest lectures by artists and designers. Through hands-on assignments and collaborative workshops, participants will develop skills in designing creative and functional exhibition spaces.
