

kitchen and bath design

MEF FADA- Fall 2022-2023- Thursday 10.00-12.50 Meltem EREN

Within the scope of this course, students will question why the kitchen and bathroom are not just a 'need' but the 'hub' of the house.

Through a series of lectures and project works students will examine planning strategies, equipment/ fixtures and proper finishing materials for better performance and visual impact.
